The town meeting Tuesday instructed the town council to begin the work
of cutting down Cookey hill immediately and to complete the work with

The annual meeting of the state of cutting down Cookey hill immediately and to complete the work with the least possible delay, but no provision was made for any expense in Councetion with the improvement of the town hall property. So when the street is cut down the town hall hilldsing and the triangular piece of land in front of it will be about fifteen feet above the sireet, and as Willian Clark of the committee, stated at the meating in it will structure, and to make report to a property of the enlargement of the town hall structure, and to make report to a town meeting to be called at the pleasure of the council.

Adams next month.

The annual meeting of the state board of agriculture was held Wednesday in Providence. John J. Dunn, of Westerly was re-elected secretary. It was decided to form an etymological department to have charge of all work under that designation. The brown tail moth has appeared in unexpected quarters, and Secretary Dunn was instructed to ask the general assembly at the August session for an additional appropriation of \$3,000 to carry on the fight against these pests during the winter months. Tristam D. Babcock of Westerly and Philip E. Money were elected cattle commissioners for Washington county.

ire of the council.

As it will take time to secure these plans and estimates, it is evident that the work of cutting down the street will be well under way before the town meeting is called. Rev. Peter McOscar, pastor of the church of the Immaculate Conception, has gone to New Orleans, and will assist at the consecration of St. Mary's

According to official computations, According to official computations, claims and benefits for life insurance amounting to \$3,500,000, have been paid in Rhode Island during the year 1909. Claims that totalled \$100,000 and upwards were paid in five places in the state, as follows: Providence \$1.453,750; Pawtucket \$242,326; Newport \$192,949; Westerly \$117,901; Woonsocket \$104,568. Claims aggregating less than \$10,000 were paid in Hopkinton, Niantic, Shannock, Wakefield, Peace Dale, White Rock and Woodville, adjacent to Westerly. STANTON'S BAZAAR, Westerly, R. I.

Inspection invited.

Frank W. Coy Real Estate Co., feblid Westerly, R. L.

Meivin O. Adams has told the East-Bridgewater board of trade that he is not in favor of the movement of rich men from the cities to the country towns, for it means the acquirement by them, he said, of thousands of acres of land for estates. It is going to leave us, in the long run, like some of the rural districts of England instead of the old-fashioned country we find about New England. There may be something in this idea, although we something in this idea, although we fancy Mr. Adams is unduly alarmed if he thinks that any proportionately large area of the rural regions will meet this fate. If the argument is good, however, it is good as a reason why rich men should own real estate in neither country nor city; and we are not sure but that it is an argument against the existence of rich men at all.—New Bedford Standard.

Middletown. — The horseshoers of Middletown will follow their custom and close their shops Saturday at 12 o'clock during the summer months.

Ansonia.—Alderman Michael J. Cook, also 10 multiple unit cars, four motors and six trailers, built entirely of steel which are heated and lighted by elections.

Mr. Gould's Prize.

The offer of Edwin H, Gould of a \$15,000 prize for a successful double-motor aeroplane may have results of far-reaching importance in the near future of the flying art. Perhaps that is the direction in which the most striking advances are to be made. Mr. Gould's offer will at least set men of ingenuity and energy to work in that direction, and possibly, before the year is out the accordance. is out, the aeroplane will be doing stunts, especially in carrying several passengers instead of one, which will be as far ahead of anything hitherto accomplished, as the Curtiss Hudson-river flight is ahead of the first crude "jumps" of heavier than air machines.
